

III College Bridge Program III

Program Concept

Study Model: 1 Year in Taiwan, 2 to 3 Years Abroad, Degree from the partner university.

Credit Transfer: up to 36 credits within one year or 72 credits over two years at MCU.

Language of Instruction: The program is conducted entirely in English to strengthen students' proficiency and prepare them for international university admission.

Program Objectives

- Empower students with the skills, knowledge, and confidence to succeed in international education and thrive in the competitive global environment.
- Offer immersive English instruction and culturally enriching experiences in Taiwan.
- Provide a seamless pathway to transition into prestigious universities worldwide.

Our Strengths

- Taiwan's first and only U.S. accredited university (MSCHE).
- Seamless credit transfer to U.S. institutions.
- International Network: Over 400 sister universities in the world with preferred partner schools that offer streamlined transition.
- Essential Skills: Acquisition of critical thinking, effective communication, and cultural adaptability.
